Summary

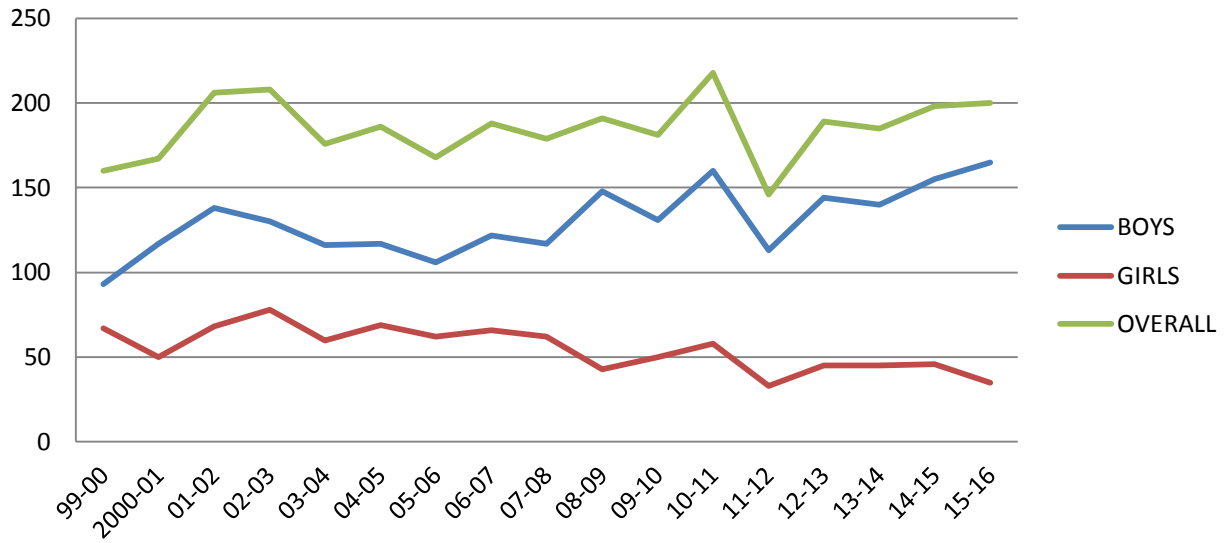

- Due to time restraints I was unable to deliver the Kick Start Program in Waterford. I am hoping this could be followed up next season.
- With the unexpected withdrawal of Nigel Maguane (Level 1 Coach) the Adare Club event did not go ahead. I intend to follow up and deliver a Kick Start program to this club and adjoining National School during the 2015/16 Season.
- The Kick Start Program in Limerick I believe was successful. I was disappointed that none of the schools took part in the Munster Schools' League this season. With the possible involvement of Hospital next season and possibly Mitchelstown I believe it might be advantageous to run a "Regional Schools Event" in Co. Limerick next season.
- With a total investment of €100, 12hrs of Coaching and one competition were delivered over the period between October to December 2015.
- I would like to thank my fellow officers for their support and encouragement in regards to this Kick Start Program and hope that it can be built upon next season.
